

OPEN LETTER

Dear Partners, Customers!

First of all **EAST SAPA ENGINEERING CORPORATION** would like to send wishes of health, success, happiness and sincere thanks to customers who have been, are and will cooperate with our company!

Established on February 28, 2003, EAST SAPA ENGINEERING CORPORATION has gradually become a leading trademark in the field of distribution and installation of air conditioning products.

With the motto: "Connecting a fresh life", our company has affirmed the East Sapa trademark with domestic and foreign customers, investors, and consultants. We are completely confident in the field of refrigeration and mechanical engineering and always put service quality first. With the criterion, taking customer satisfaction as a prerequisite, our company has been keeping the attention and absolute trust from big and small partners, customers across the country.

We understand that, accompanying the development is the prosperity of our customers, our company always welcomes the cooperation of domestic and foreign partners, on the basis of sharing benefits and works together towards long-term sustainable development.

Best regards!

DONG SAPA
